

# THE 2019 WESTON AWARDS

OREGON  
WALKS

## SPONSORSHIP

**The annual Weston Awards pay tribute to the feat and feet of walking.**

Oregon Walks is a non-profit membership organization dedicated to promoting walking and making the conditions for walking safe, convenient and attractive throughout the Portland metropolitan region. Join a growing network of people, businesses and community organizations that are helping to improve safe, walkable communities.

For twenty-six years, Oregon Walks has been an instrumental advocate for neighborhoods to make walking truly safe, convenient, and attractive in the Portland metropolitan region. The Weston Awards is our biggest fundraising event of the year, where we celebrate the inspiration, enthusiasm, perseverance, and the conviction to make getting around on foot safe and accessible for everyone. Every year Weston Awards winners are nominated by our members - these awardees are community organizers, neighborhood groups, business leaders, elected officials, and individuals who've shown commitment and leadership to making our streets safer for everyone.

We are proud to present our **9th annual celebration on Friday, November 8th at the Portland Downtown Hilton**. Last year our 250+ attendees helped us raise over \$32,000 for Oregon Walks' programs. We're expecting even more folks this year! The evening will include a cocktail reception, followed by a plated dinner and program featuring this year's Weston Winners and a special appeal highlighting our work in 2019.

Join us for a special evening celebrating our shared work advocating for walkable communities and the Westons among us today: people from all walks of life who have made our communities more livable and more walkable.
