

THE 2022 WALKSTARS

SPONSORSHIP

The annual Oregon Walkstars pay tribute to the feat and feet of walking.

Oregon Walks is a non-profit membership organization dedicated to promoting walking and making the conditions for walking safe, convenient, and attractive throughout the Portland metropolitan region. Join a growing network of people, businesses, and community organizations that are helping to improve safety and increase walkability.

For over 30 years, Oregon Walks has been an instrumental advocate for neighborhoods to make walking truly safe, convenient, and attractive in the Portland metropolitan region. The Walkstars is our biggest fundraising event of the year, where we celebrate the inspiration, enthusiasm, perseverance, and conviction to make getting around on foot safe and accessible for everyone. Our storytellers are community organizers, neighborhood groups, business leaders, elected officials, and individuals who've shown commitment and leadership to making our streets safer for everyone.

We are proud to present our 12th annual celebration on Thursday, May 26th. This year our event will highlight and celebrate our 30+ years of work and advocacy. We will also be sharing stories from different community members and organizations to provide a platform to elevate and share stories that are not always given the opportunity.

Join us for a special evening celebrating our shared work advocating for walkable communities and the Walkstars among us today: people from all walks of life who have made our communities more livable and more walkable.

Thursday, May 26th 2022
Celebration starts at 5p
